Carpentry students receive training in most construction and house building areas. Students first learn the basic use of hand tools, and then learn to utilize all types of modern equipment, including; table saws, planes, shapers and lathes. Carpentry students build a model house consisting of floor plans, foundations, wall and ceilings, door and window opening layouts, and roof rafters. Graduates of this program have acquired the entry level skills to enter the work force.

Little Child

CHILD CARE

Child Care students develop the necessary techniques for successful employment in the classroom. Students train in Voc-Tech's Child Development Laboratory Nursery School. This on-site training allows the students to work closely with three and four year olds. They also receive academic background in the related subjects of child psychology, learning theories and teaching methods. Graduates of the program may apply to the Office for Children to be certified as a preschool teacher.

Cosmetology is the study or art of enhancing the human body, which includes skin care, hair dressing and face design. Aesthetics deals with the health and care of the skin and the artistic use of cosmetics. The program is designed to prepare students for state mandated licenses. By fulfilling the requirements of both the related and shop areas set forth by the State Board of Registration, students qualify to take State Board Examinations, allowing them to be employable by Massachusetts.

SHEET METAL/WELDING

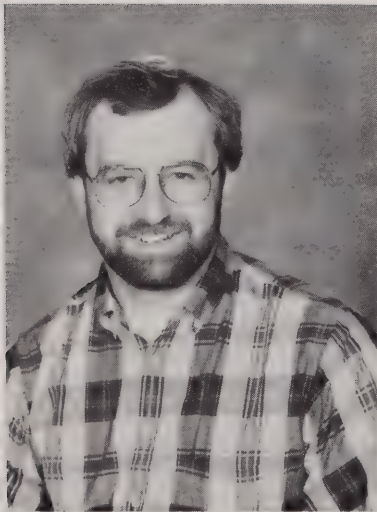

Students receive specialized instruction in oxyacetylene (gas) welding and cutting, plasma arc cutting and arc welding. In more technical areas we have syncrowave TIG welders with pulsarc capabilities and also modern MIG welding machines capable of welding metal from 1/32 of an inch up to and beyond one-inch thick steel. The students work with all types of metals; such as, mild steel, stainless steel, and aluminum.

Steam Engineering is the study of high pressure boilers and their auxiliary equipment. Students in this program receive technical training to acquire the necessary skills to obtain the licenses to operate in this growing industry. Students operate the school power plant that provides all the heating and air conditioning as well as the hot water needed for the shops, classrooms, gym and cafeteria. Seniors continue training for the fireman's license and may then test for Second Class Fireman given by the state.

The G.N.B. Voc-Tech baseball team was competitive, but the lack of experience proved costly in many of the games. Three outstanding players on the squad were Brian Fletcher, Gordon Barber, and Steve Torres. Fletcher played a steady short-stop, Barber was the leading pitcher and Torres led the team in hitting.

Voc-Tech had some exciting games including the first game of the season giving them a come-from-behind win over Bishop Stang in 8 innings. Their best effort was a 3-1 victory over the S.C.C. champs, Old Rochester. With everyone returning next year, Coach Quintal is looking forward to a competitive season.

The girls' softball team has had their best team in several years. The team was led by juniors Jodi Roderick and Isabel Arruda. Roderick pitched all three of Voc-Tech's wins and Arruda caught in every game and led the team in hitting with .314.

The team had a strong start, winning the first two games of the season against Martha's Vineyard (22-4) and Upper Cape Voc-Tech (33-4).

Coach Johnson says that the team looks good for this year, losing only three seniors to graduation.

The Boys' Spring Track team won eight out of their nine games this season due to hard work and determination. Isaac Rodriguez in hurdles and Rich Despres in sprints and the decathlon were

two of the driving forces behind this strong squad.

Coach Thornhill feels he has "a young and energetic group of underclassmen who work hard," and feels the future of the track team looks great.

With such a small team, it was difficult to try to win meets, so the basic goal of the Girls' Spring Track team was to improve their times and distances and strive for personal best performances. The two co-captains, Mary Thomas and Angel Carvalho, were hard workers and consistent point getters for us. Thomas was outstanding in the shotput

and discus, while Carvalho regularly placed in 3 and 4 events each meet and was one of the best jumpers and hurdlers in the conference.

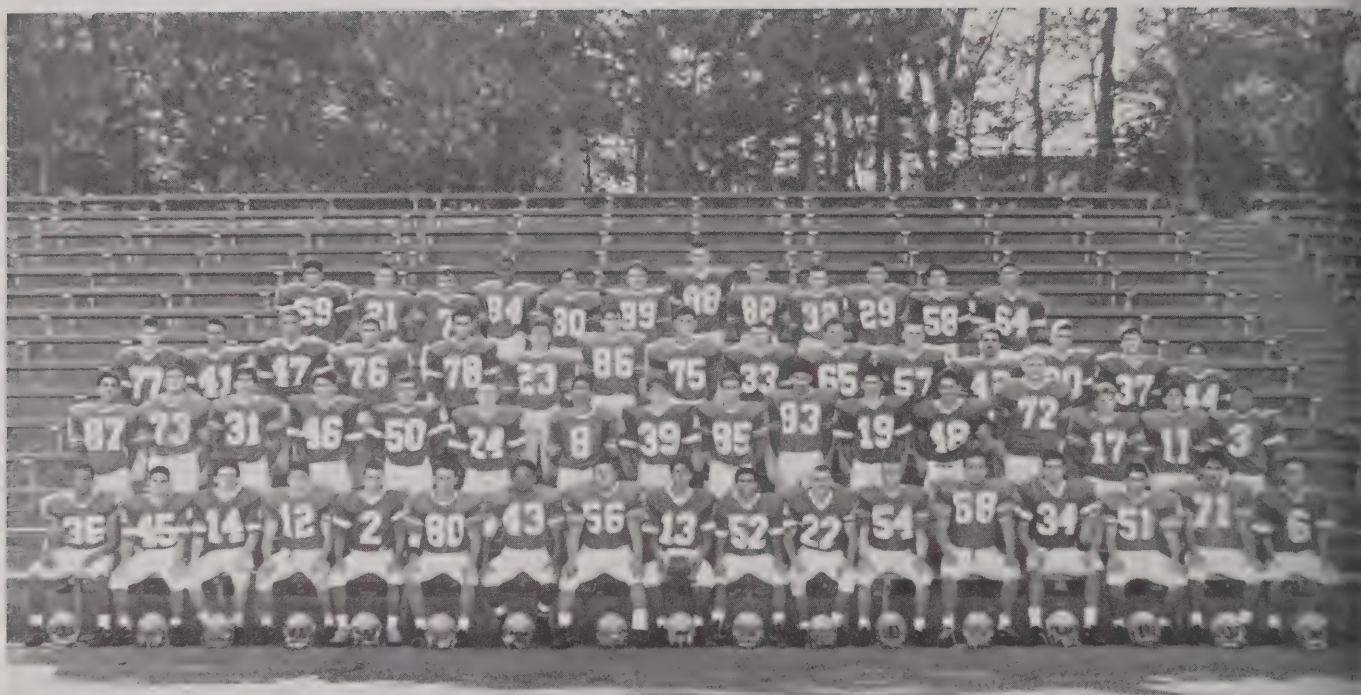

"The girls we have are dedicated and enjoyable to work with," says Coach Thompson, "but we need more girls to participate in order to be competitive with the teams from other schools."

The Voc-Tech Bears football Team completed their winning season with a record of 6 wins, 4 losses and 1 tie. Led by tri-captains Brian Fletcher, Gordon Barber and Steven Torres, the Bears finished 3rd in the 9 team South Coast Conference.

Much of the Bears' success is credited to the defensive team with 5 shutouts. Seniors Andy Gregoire, Rick Despres, Isaac Rodriques and Shawn Simmons patrolled the defensive backfield and allowed a stingy 7 touchdowns to be scored by 11 opponents. All-Star linebackers Gene DaCosta and Brian Fletcher anchored the defense along with interior linemen Scott Morris, Danny Camacho, Kevin Vasconcellos and Kraig Medeiros and defensive ends Donald Stoltmier and Joe Folick.

Offensive end Bill Major made many

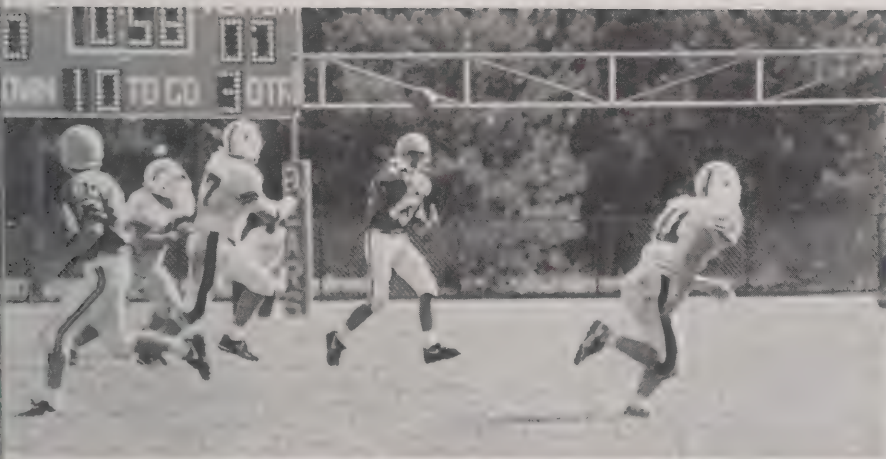

key receptions in crucial situations. QB Gordon Barber scored 6 touchdowns throughout the season. Other key members of the offense include backs Rick Despres, Shawn Simmons, Gene DaCosta, and Eddie Alexandre. Flankers Isaac Rodriques, Peter Breault and Ben Andrews complemented the running game with their ability to catch the ball. Offensive linemen Steve Torres (center), Guards Brian Fletcher, Donald Stoltmier and Jamie Marujo, and tackles Kraig Medeiros and Danny Camacho provided the power in the trenches. All-Star end Scott Morris was equally adept at catching the ball or throwing a key block.

Perhaps the greatest attribute of the 1991 Bears is the unity and enthusiasm displayed throughout the season.

The G.N.B. Voc-Tech soccer squad were the co-champs in the S.C.C and had a super season with a "young" team. They lost to a strong Boston College in the states, but they showed their great team sportsmanship.

The Bears had many outstanding players that contributed to their success. Anibal Pias, defense, was a Standard Times S.C.C. All-Star and All Bristol County. Mario Pacheco, forward,

was the leading point getter with 14 goals and 17 assists, and was an S.C.C. All-Star. Lino Cabral, forward, was an S.C.C. All-Star and All Bristol County with 18 goals and 3 assists. Dave Pereira, midfielder, was the play maker for the team.

Coach Cunha feels the future looks very bright with 10 veterans returning and some very talented J.V.'s.

The 1991 Volleyball team showed a great improvement from the beginning of the season to the end. The team won several games and was competitive in many others. The team played very well defensively but had trouble getting their serves in. They worked very hard in practice and maintained a positive attitude throughout the season. The team was led

by Amanda Tetreault, Dori Silvia, and Maria Pinhancos who were all selected to the South Coast Conference All-Star Team. Other key players were Cindy Fidalgo, Tara Dupre, Angella Babineau, Amber Allain, Tammy Tanguay, and Jodi Roderick. Coach Ron Krogh will miss the team next year, and said that "They are all great kids."

Despite the 2-14 record, the team did well. There was only one senior and five juniors on the team. Three of the juniors are only playing for their second year and the remainder of the team are all first year players. As it was, all players improved their scoring averages throughout the season.

Nate Patnaude, the team captain, was voted to the All-Star Conference Team, with Jamie Poyant and Peter Levasseur making the honorable mention list. Poyant, Levasseur and Jarid Gobeil all broke 50 this year for the first

time. Gobeil, only a second year player, had a 44. Randin Fernandes, a first year player, played number 6 on the team and helped in his first year on the team.

Some outstanding moments in Coach Silvia's mind were Jarid Gobeil breaking 50 for the first time, the team's first victory versus Dighton, and Chris Santos getting his all-time best score of 45 and wanting to take the card home to show his parents. The team will only lose one player next year "and with a little work and effort," says Coach Sylvia, "they should do better next year."

This year's team was led by Sr. Co - Captains Jeremy Borges & Jim Lowell. Jr. Derek Jacobsen & Sr. Bill Parent were the only returning letterman. With the addition of Sr. David Barney and Jr. Brian Young the team finished with a .500 season, 4 wins & 4 losses.

Derek and Brian will lead a strong

underclass group of Mike Burns, Jay Marote, Kevin Swain, Randy Daigle, and Adam Sylvia to a stronger showing next year.

The Bears will miss Bill Parent (who ran all 4 years) and Chris Mesquita along with the other seniors.

The winter track team proved that hard work pays off. The team worked hard to develop depth throughout the season earning them the S. C. C. title for the 4th straight year.

Isaac Rodriguez in the hurdles placed 2nd in class-A and went to the Nationals in Syracuse, New York. Rick Despres came through in the 50 and High Jump with P. R.s of 5.7 and 5'10." Scott Morris, filled a big hole with the shot put throwing a P. R. of 45 ft. and

David Barney took over in the 2 mile and 1000.

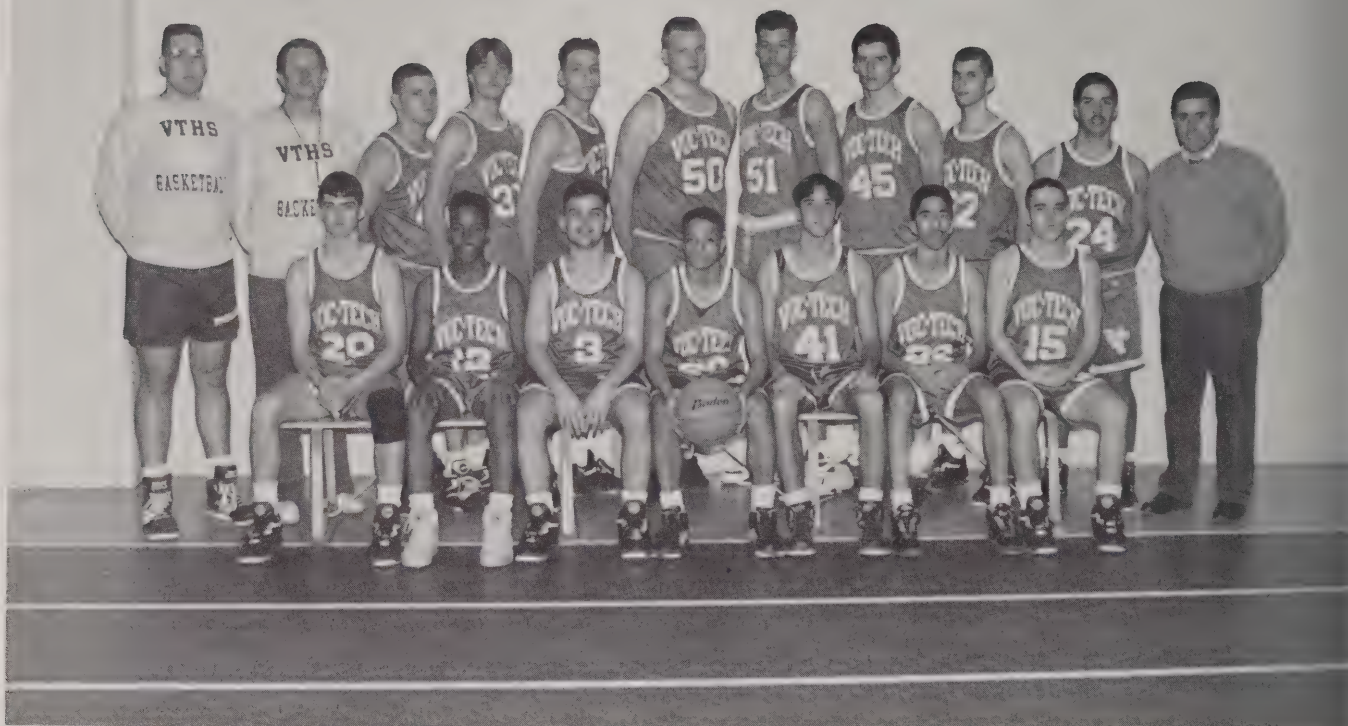

"When this team knew they had to win they did," Coach Thornhill said, beating Fairhaven and Apponequet, and pulling out a near loss against Dighton-Rehoboth in the final event, the relay, to win the meet.

We will be losing some outstanding male and female athletes, but once again with hard work the future outlook for Voc-Tech should be positive.

The Voc-Tech Boys Basketball Team had a good season with a 12-7 record as of February 14th. Coach Cote said that his overall impression of the season was the teams' "great overall team attitude." Co-captains David Messier and

Brian Fletcher led the team to many victories and well-fought battles.

Some of the highlights of this season were the home defeats versus Wareham and Fairhaven. The Bears took Wareham 69-64 and Fairhaven 47-42.

"Despite not winning any games," says Coach Sylvia, "the girls' attitudes and efforts were outstanding." They can be proud of the way they handled not winning any games. The best game was against Fairhaven where the squad lost by only three points. All the girls played hard and gave 110% that game.

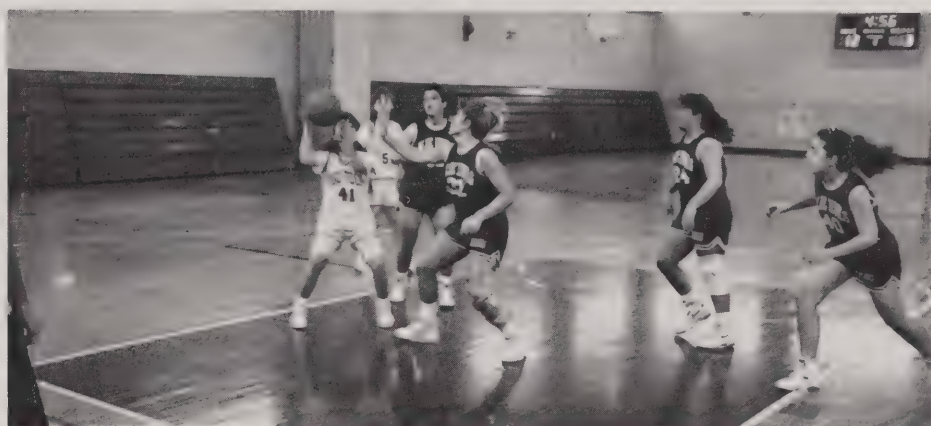

Two outstanding players on the team were team captain and point guard Cin-

dy Fidalgo, who led the team in scoring, and Julie Plourde, leading the team in rebounds. The team will be graduating 7 seniors and there are only two juniors on the team. Next year's team will be young and inexperienced, but they hope to improve during the off season with some players going to camp during the summer.

Although the Varsity Hockey Team managed only 4 wins, they played competitively throughout the season. Several losses were by a margin of two goals or less. The future looks bright for the Skating Bears, as many players will be returning next year. The experience

gained by these players should help a few close games to end in their favor.

Some of this years outstanding players were Ben Berube, Dave Lazaro, Jared Gobel, Mike Medeiros, Jeff Custodio, Bob Soares and Nelson Coelho.

In Memorium

*Without You Here The Halls Seem Silent And Empty
Memories Of You Are All We Can See
You Will Always Be Remembered Exactly How You Were
You Are Missed So Much Now And Will Be Forever
It's Hard With You Not Here For Us To See
But It Helps To Know You're In Heaven, Happy And Free
Your Memory Will Live Forever, Always In Our Hearts
I Know You Will Remember Us As You Make Your New Start
I Wish You Didn't Have To Leave So Sudden And Soon
It's A Shame How Life Can Be So Cruel
But God Must Have A Reason For Taking You Now
So We'll Trust In His Judgment And Live Without You Somehow
I Hope You Can Hear This Message We Send To You
You Will Always Be Loved And Missed A Lot Too
So Good-Bye Now My Friend, You'll Be Forgotten Never
You'll Be In Our Hearts Always And Forever*
